Priority list: Recommendations from Lieutenant Colonel Sturdevant were discussed. It was noted that he indicated certain areas given on the OPD list of May which had been covered by the P-3 Section in ONI Monographs 74, 75 and 76.

The Directive: Discussion. The Board has been working on this for the last few days in Commander Bailey's office. It is intended to have the original steering committee of Colonel Evans, Lieutenant Colonel Cutts, and Doctor Hartshorne meet with the Board when the rough draft of the Directive has been drawn up. After this meeting the final draft will be prepared and submitted to the directors of the three agencies for agreement.

On June 22 the Board moved into its office in the Munitions Building.

Respectfully submitted,
